

BOARDING NEWSLETTER APRIL-MAY 2024

“Continuous efforts, not strength or intelligence- is the key to unlocking your potential.” – Sir Winston Churchill

Dear Parents and Guardians,

It seems like just yesterday that we embarked on our journey into the boarding term and with the blink of an eye we are reaching the last leg of this term. The months of April, May and June saw a culmination of preparations and learning at boarding. Boarding students went full steam ahead into preparing for the final exams - Grade 10 and 12 in particular for their board exams. The air is filled with anxiety, a drive to do and achieve their best, exchange notes, be behind teachers and peers for just that little extra support...so then you know exams are just around there. Boarding weekends saw just that and more. The younger students were simultaneously engaged in sports, fun games and movie time.
